The “googly” plastic eyes on the toy can detach, posing a choking hazard to young children.

Remedy:

Refund

Recall date:

July 8, 2019

Units:

About 80,000 (In addition, about 650 in Canada)

Consumer Contact:

Disney toll-free at 866-537-7649 from 7 a.m. to 9 p.m. CT Monday through Friday, Saturday 8 a.m. to 4:30 p.m. and Sunday 1:30 p.m. to 9 p.m. or for additional information email personal.shoppers@shopDisney.com

Recall Details

In Conjunction With:

Description:

This recall involves an 11” “Forky” plush toy from Disney Pixar’s Toy Story 4. The toy has poseable arms, a base, rainbow screen art on top of foot and plastic rolling “googly” eyes. The eyes are comprised of three parts; a white plastic base, a clear plastic dome and a small black plastic disc within the dome, which represents the character’s pupil. The tracking code information is included on the sewn in label attached to the base of the toy.

Tracking Numbers

FAC-024868-18338

FAC-024868-19032

FAC-024868-19060

FAC-024868-19091

Remedy:

Consumers should immediately take the recalled toy away from children and return it to any Disney Store retail location, Walt Disney World, or Disneyland Resort theme park retail store location for a full refund.

Incidents/Injuries:

None reported

Sold At:

Disney Stores nationwide, Disney Theme Parks, online at shopdisney.com and through the Disney store on Amazon Marketplace from April 2019 through June 2019 for about \$20.

Manufacturer(s):

Dream International Limited, Co., of Hong Kong

Importer(s):

Disney Merchandise Sourcing & Distribution, LLC, of Burbank, Calif.

Manufactured In:

China

Recall number:

19-159

This recall was conducted, voluntarily by the company, under CPSC's Fast Track Recall process. Fast Track recalls are initiated by firms, who commit to work with CPSC to quickly announce the recall and remedy to protect consumers.
