

**During a summer when many families are staying closer to home to curb the spread of COVID-19, continued water vigilance remains critical.**

**WATCH OUT:**

**Most children under 5 years old who drown are at home or a friend's home**

**Percentage of Fatalities Reported to CPSC Staff Associated with Pool or Spa Submersion Children Less than Fifteen Years of Age by Incident Location 2017-2019**

<b>Location</b>	<b>Percentage of Reported Fatalities</b>
